## Detail Introduction :

Beijing Scieure Pharmaceutical Co.Ltd. is proud to present its premium line of Swedish snus, an innovative smokeless tobacco product rooted in a rich Scandinavian tradition. Our Swedish snus is crafted using the finest ingredients and state-of-the-art manufacturing processes, ensuring a high-quality and consistent product for discerning consumers.

## Key Ingredients and Composition:

Tobacco	Sourced from select plantations to guarantee purity and taste.
Water	Ensures moisture content for optimal flavor release.
Salt	Enhances flavor and acts as a natural preservative.
Flavorings	A variety of flavors are available to cater to diverse preferences.

## Usage Instructions?

Selecting the Portion: Choose from our range of portion sizes according to your preference.

Placing the Snus: Position the snus pouch under your upper lip. It does not require chewing or spitting.

Duration: Enjoy the steady release of flavor and nicotine for up to 30 minutes.

Disposal: Responsibly dispose of the used pouch in a waste bin.

## Storage Recommendations?

To maintain the freshness and quality of our Swedish snus, store the product in a cool, dry place. Refrigeration is recommended but not necessary. Ensure the container is properly sealed when not in use.

## Product Advantages and Features?

Smokeless Experience: Enjoy nicotine without the harmful effects of smoking.

Discreet Use: Small pouches can be used unobtrusively in any setting.

Variety of Flavors: Options ranging from classic tobacco to innovative blends.

Quality Assurance: Rigorous quality control for a safe and satisfying experience.

Convenient Packaging: Designed for portability and ease of use.
